PROFILE

I am a qualified web developer with a focus on **PHP** and a passion for creating dynamic websites. I am in the **early stages of my career** and eager to learn and grow. Currently, I am actively learning JavaScript, and I have a keen interest in becoming proficient in the **MERN (MongoDB, Express.js, React, Node.js) stack**. I also have a basic understanding of SEO and am committed to being a valuable team player with a strong attention to detail.
